<u>County Manager's Report</u>

Fire Commission. Chair Faines directed staff to research committees that have been created/resurrected for a specific purpose. Chair Faines also noted the importance of reviewing committees that are no longer active. Staff did research and found that the Fire Commission was reactivated to address issues identified in the 2023 Fire Study and suggests that the Board of Commissioners formally discuss decommissioning the Fire Commission now that the study's concerns have been resolved. If there are any other remaining concerns from the 2023 Fire Study, the Board of Commissioners can make decisions without input from the Fire Commission, since ultimately all final actions have to be approved by the Board of County

Commissioners. Current members of the Fire Commission are Daren Small, Doyle Carpunky, and Carolyn Faines. Chair Faines also mentioned having the Manager review other committees and bring back other committees for discussion. Recommendation is for the Board to decide if the decommission of the Fire Commission is in the best interest of Vance County.

Following a discussion, a motion was made by Commissioner Tommy Hester, Jr. and seconded by Commissioner Leo Kelly, Jr. to decommission the Fire Commission. The motion was unanimous except for Commissioner R. Dan Brummitt who opposed.

Smart Start Lease Extension. Franklin-Granville-Vance Smart Start, Inc. is a non-profit organization that designs and provides services and programs for families and children. For FY26, the County provided a $5,500 appropriation. They recently requested an extension of the lease, and the proposed agreement provides a three-year term with options for two additional three-year extensions. The total square footage of the lease space is 5,600 square feet and the initial annual rent totals $30,934 with 2% per year adjustments. Staff provided the required 30-day notice prior to the board's consideration of the lease. Recommendation was to approve authorization of the County Manager to execute the lease agreement with Franklin-Granville-Vance Smart Start, Inc. for use of space at 125 Charles Rollins Road. (A copy of the lease agreement will be filed in the manager's office)

Faith in Mental Health Resolution. The "Faith in Mental Health" Certificate Program is a collaborative initiative led by Pastor Frank Sossamon, Granville Vance Public Health, Vaya Health, and NCDHHS to help local churches support individuals and families facing mental health and substance use challenges. The program provides free, tiered training—Basic, Intermediate, and Advanced—to equip faith communities with tools and education that foster understanding and reduce stigma. Over 30 churches in Vance and Granville Counties have already enrolled or shown interest, reflecting strong community engagement. This resolution demonstrates the Vance County Board of Commissioners' commitment to strengthening partnerships between public health and faith-based organizations. Recommendation is to approve the resolution supporting Faith in Mental Health. (A copy of the resolution will be filed in the manager's office).

A motion was made by Commissioner R. Dan Brummitt and seconded by Commissioner Charisse Fain to approve the resolution supporting Faith in Mental Health. The vote was unanimous.

Manager Perry then presented to the board the October 2025 Work Session Report.

Travel and Finance Policy. This Fiscal Operations Policy was presented to the Board of Commissioners at the October 13, 2025, work session. It provides the framework for managing the financial operations of Vance County. We are in the process of reviewing the policy to address concerns brought forth by Commissioners and other concerns with the conflicts of interest policy. The policy will be brought back to the Board of Commissioners at the December meeting for consideration and approval. This was for informational purposes only.

DSS Telework Pilot Department. County Manager Perry along with DSS Interim Director, Cassandra Hart and Interim Child Welfare Director, Brenda Brown requested the Board of Commissioners allow staff to research telework for Vance County staff. Kerr Reservoir in Vance

County. During the discussion, the County Manager recommended that the Board consider adopting a resolution encompassing all navigable waters of the John H. Kerr Reservoir within Vance County, to prevent the need for future individual requests. Recommendation is to approve the resolution requesting the said Commission to promulgate regulations fully implementing the Uniform Waterway Marker System in all of the waters of the said County as appropriate, taking into consideration the areas developed with a higher density of docks and citizen's personal engagement in water activities OR to approve the resolution requesting the said Commission to promulgate regulations fully implementing the Uniform Waterway Marker System as appropriate in portions of "Kerr Lake" that abut the residential subdivision of Somerset Plantation, Vance County, NC.

Following a discussion, a motion was made by Commissioner Tommy Hester, Jr. and seconded by Commissioner Leo Kelly, Jr. to approve the resolution requesting the said Commission to promulgate regulations fully implementing the Uniform Waterway Marker System in all of the waters of the said County as appropriate, taking into consideration the areas developed with a higher density of docks and citizen's personal engagement in water activities. The vote was unanimous.

Letter of Support. During the Board of Commissioners' discussion, a consensus was reached to move forward with a letter of support for the proposed site of the new Vance County Detention Center. The Board expressed alignment with the County Manager's recommendation, emphasizing the project's importance to public safety, facility compliance, and long-term infrastructure planning. By consensus, the Board approved preparation and submission of the formal letter of support on behalf of the Vance County Board of Commissioners. This was for informational purposes only.

9. Maintenance. Landlord shall maintain the roof, foundation, exterior walls, and any jointly used common areas of the Building. Should it be determined by the Landlord that the heating, ventilation and air conditioning system should need to be replaced, Landlord shall be responsible for same.

Tenant agrees to promptly maintain and repair, as needed, the demised premises. Tenant shall promptly notify Landlord, in writing, of the need for any such maintenance and repairs to those items the Landlord is responsible to maintain.

10. Notwithstanding anything in the Lease to the contrary, Tenant shall be solely responsible for all repairs, maintenance and replacement of the Demised Premises, Building and Common Areas, occasioned by the gross negligence or willful misconduct of Tenant, its servants, agents or employees while working in the scope of their agency or employment to the extent not paid to Landlord or Landlord's lender under the terms of any fire, extended coverage, public liability or other insurance policy. If any repairs are required because of the gross negligent treatment or willful misconduct by Tenant or its servants, agents, or employees while working in the scope of their agency or employment, then Landlord may at its option (i) perform the repairs and charge the cost of such repairs to Tenant, or (ii) require Tenant to promptly perform such repairs.

11. Insurance. Tenant shall, at no cost to Landlord, during the term of this Lease and any extensions thereto, keep in full force and effect a policy of public liability and property damage insurance with respect to the Premises, in which the public liability coverage shall not be for less than One Million and No/100 Dollars ($1,000,000.00) per person and incident; and in which the property damage liability shall not be for less than One Million and No/100 Dollars ($1,000,000.00). the Building for any purpose, or for any loss or damage resulting to Tenant or its property from burst, stopped or leaking water, gas, sewer, sprinkler or steam pipes or plumbing fixtures or from any

failure of or defect in any electric line, circuit, or facility unless due to the acts or omissions of Landlord, its agents, employees or representatives or the failure of Landlord to fulfill its obligation sunder this Lease. In addition, Landlord shall not be liable for any property stolen or taken from the Premises by any person or persons, except any agent, servant, or employee of Landlord.

13. Default. The following events shall be deemed to be events of default by Tenant under this Lease Agreement: (i) if Tenant shall fail to pay within ten (10) days of when due, any installment of rent or any other charge or assessment against Tenant pursuant to the terms hereof, (ii) Tenant shall fail to comply in any material respect with any term, provision, covenant or warranty by Tenant under this Lease Agreement, other than the payment of the rent or any other charge or assessment payable by Tenant, and shall not cure such failure within thirty (30) days after written notice thereof to Tenant, unless such matter cannot reasonably be cured within thirty (30) days, in which event Tenant shall not be in default so long as Tenant undertakes such cure within thirty (30) days and completes such cure in a timely and diligent manner thereafter. Upon the occurrence of any of the aforesaid events of default, Landlord shall have the option to pursue any one or more of the following remedies upon notice to the Tenant: (i) terminate this Lease Agreement, in which event Tenant shall immediately surrender the Demised Premises to Landlord; (ii) enter upon and take possession of the Demised Premises and expel or remove Tenant and any other person who may be occupying said Demised Premises or any part thereof, without being liable for prosecution or any claim of damages therefore with respect to any reasonable action taken by Landlord, and, if Landlord so elects, make such alterations, redecoration and repairs as, in Landlord's reasonable judgment, may be necessary to re-let the Demised Premises, and re-let the Demised Premises on such terms as Landlord may reasonably deem advisable, without advertisement, and by private negotiations, and receive the rent therefore, Tenant hereby agreeing to pay to Landlord the Deficiency, if any, between all rent reserved hereunder and the rent obtained by Landlord upon re-letting, if any, for each month of the period that otherwise would have constituted the balance of the Term hereunder; (iii) enter upon the Demised Premises by force if necessary, without being liable for prosecution or any claim of damages for any reasonable actions taken by Landlord, and do whatever Tenant is obligated to do under the terms of this Lease Agreement; and Tenant agrees to reimburse Landlord on demand for any reasonable expenses. Pursuit of any of the foregoing remedies by Landlord shall not preclude pursuit of any other remedy herein provided or any other remedy provided by law or at equity, nor shall pursuit of any remedy herein provided constitute an election of remedies, thereby excluding the later election of an alternate remedy, or a forfeiture or wavier of any rent or other charges and assessments payable by Tenant and due to Landlord. Forbearance by Landlord

to enforce one or more of the remedies herein provided upon an event of default shall not be deemed or construed to constitute a waiver of such default. No exercise by Landlord of any right or remedy granted herein shall constitute or effect a termination of this Lease unless Landlord shall so elect by written notice delivered to Tenant. No waiver by Landlord or any covenant or condition shall be deemed to imply or constitute a further waiver of

the same at a later time, and acceptance of rent by Landlord, even with knowledge of a default by Tenant, shall not constitute a waiver of such default.

14. Assignment or Sublease. Tenant may not encumber this Lease, and may not assign this Lease, sublet any part or all of the Demised Premises without the written consent of Landlord first had and obtained. Any assignment or sublease to which Landlord may consent (one consent not being any basis to contend that Landlord should consent to a further change) shall not relieve Tenant of its obligations hereunder. In no event shall this Lease be assignable by operation of any law, and Tenant's rights hereunder may not become, and shall not be listed by Tenant as an asset under any bankruptcy, insolvency or reorganization proceedings. Tenant is not, may not become, and shall never represent itself to be an agent of Landlord, and Tenant expressly recognizes that Landlord's title is paramount, and that it can do nothing to affect or impair Landlord's title.

15. Attorney's Fees and Exemptions. Should either Landlord or Tenant prevail in any legal or arbitration proceedings instituted for a breach of any provision of this Lease, the prevailing party shall be entitled to recover from the other party the costs and expenses incurred by the prevailing party with respect to that proceedings, including the prevailing party's reasonable attorney's fees at hourly rates customarily charged.

16. Time. Time is of the essence of this Lease Agreement, and whenever a certain day is stated for payment or performance of any obligation of Tenant or Landlord, the same enters into and becomes a part of the consideration hereof.

17. Subordination, Attornment and Nondisturbance. Tenant, upon request of any party in interest, shall execute promptly an instrument as is reasonably required to carry out the intent hereof, whether said requirement is that of Landlord or any other party in interest, including without limitation, mortgages.

18. Surrender of Premises. Upon the expiration or other termination of this Lease Agreement, Tenant shall quit and surrender to Landlord the Demised Premises, broom clean, in the same condition as at the Rental Commencement Date, reasonable wear and tear, damage by fire or other casualty and omitted repairs of the Landlord only excepted, and Tenant upon written notice from Landlord shall remove

all of its personal property from the Demised Premises. Tenant's obligation to observe or perform this covenant shall survive the expiration or other termination of this Lease Agreement. Landlord may require Tenant to restore the Premises so that the Premises shall be as they were on the commencement date except ordinary wear and tear, provided that Tenant shall in no event be required to remove floor coverings, wall coverings, demising walls or other improvements constructed as part of the Tenant Improvements. Any personal property of the Tenant which shall remain in the Premises after the expiration or termination of the term or the Tenant's right of possession shall be deemed to have been abandoned by the Tenant and may be retained by the Landlord as its property or disposed of in such

manner as Landlord may see fit; any proceeds from the sale thereof shall belong to the Landlord.

19. Early Termination. Tenant may have the option of early termination of this agreement provided Tenant has such a significant expansion or decrease in the employment of staff wherein the space presented leased, combined with any additional space available for rent at the then current rental rate will not be sufficient to accommodate such expansions in staff, or shall be significantly more space than need. Further Tenant, should Tenant's funding decrease shall have the early termination option set forthherein. Tenant shall, in accordance with the notice provisions as set forth herein, provide notice at least three (3) months in advance of Tenant's intention to exercise this option, and shall also include the final date of occupancy. Should Tenant exercise such option, all other terms and conditions as set forth herein shall apply. Landlord, at it own option, shall also have the ability to terminate this lease upon written notice to Tenant. Landlord's notice shall provide a minimum of ninety days for Tenant to vacate the premises.

20. Notices. All notices required or permitted to be given hereunder shall be in writing and shall be deemed given, whether actually received or not, on the third day after the date deposited, postage prepaid, in the United States Mail, certified, return receipt requested, and addressed to Landlord or Tenant at their respective address set forth below or at such other address as either party shall have theretofore given to the other by notice as herein provided or upon receipt if hand-delivered to such address.

22. Landlord's Liability. Except to the extent covered by insurance, Landlord's personal liability with respect to the provisions of this Lease Agreement shall be limited only to the extent of the fair market value of the Building net of the amount owed by Landlord on any mortgage or mortgages in a commercially reasonable principal amount secured by the Building.
