

STATE OF NORTH CAROLINA

COUNTY OF VANCE

The Vance County Board of Commissioners met in regular session on Monday, January 5, 2026, at 6:00 p.m. in the commissioners' conference room, Vance County Administration Building, 122 Young Street, Henderson, NC. Those commissioners present were as follows: Chair Carolyn Faines and Vice-Chair Charisse Fain; Commissioners R. Dan Brummitt, Yolanda J. Feimster, Thomas S. Hester, Jr., Leo Kelly, Jr., and Valencia L. Perry.

Absent: None

Also present were County Manager C. Renee Perry, Assistant County Manager Jeremy Jones, County Attorney Jonathan S. Care, and Clerk to the Board Dywanda Pettaway.

Pastor Ron Cava, First Baptist Church, gave the invocation.

The first order of business was the public comments. There were six individuals that signed up to speak... Robert Norwood spoke on the Hicksboro VFD, Eugene Matthews spoke on yard hydrants, Angie Ryan spoke on Vance County taxes and assessments, Shauna Guthrie and Dr. Laura Vick both spoke on opioid use and its disorder treatment within the detention center and lastly Jamon Glover spoke about the new "Supporting Father Involvement" program through Franklin-Granville-Vance-Smart Start and presented the commissioners' with tumblers and pins.

Mr. Frankie Nobles, Vance County Employee Engagement Team Chair, was next on the agenda to recognize the new employee of the month. The employee of the month is Angie Wright who works for DSS as a food nutrition worker. Ms. Wright will receive a monetary gift and a designated parking space for the month. She was presented with a plaque of appreciation, and the board congratulated him on receiving this recognition.

Sheriff Curtis Brame and Captain Shannon Holly appeared before the board to present the Budget Amendment #26 for Contracted Services for consideration of approval. The detention center is requesting an additional \$1,320,500 for account 10-520-500045(Contracted Services) due to inmate overflow being housed in other counties. The detention center has a maximum housing capacity of 90 inmates. These overflow placements are ongoing and have resulted in contracted housing costs that exceed the current budgeted amount. The requested funding is necessary to cover these continued contractual obligations through the remainder of the fiscal year and to ensure the county remains compliant with inmate housing and safety requirements.

ayment (aka excess working capital) to accelerate the repayment of any borrowed funds.

County ABC store and to authorize the use of the 5th payment (aka excess working capital) to accelerate the repayment of any borrowed funds.

As advertised, a public hearing was held to gain citizen input on the FY 2026-27 Budget.

Mary Jane Collins asked the board to consider a transitional house called Jireh Transitional Housing, which could be located at 197 Parham Street (the old Executive Inn Hotel). Jean Matthews came to agree with the transitional housing and then spoke to the board about single family dwelling housing. Angela Ryan also came to agree that the transitional housing be considered.

As there was no one else who wished to speak on this matter, Chair Carolyn Faines declared the public hearing closed.

Water District Board

Chair Carolyn Faines called the Water District Board to order. The November 2025 monthly operations report was presented to the board for information. Chair Faines adjourned the Water District Board.

Finance Director's Report

Fiscal Operations Policy. Finance Director Stephanie Williams presented the Fiscal Operations Policy for the board's consideration of approval. Since the presentation on December 16th, 2025, the fiscal operations policy has been reviewed to ensure it reflects current county operations, avoids unnecessary duplication, maintains appropriate flexibility for departments, clearly reinforces that final fiscal authority rests with the board of county commissioners. Adoption of this policy will improve consistency in financial decision making, reduce audit risk and findings, provide clear guidance to departments and elected offices, demonstrate strong fiscal stewardship to taxpayers, auditors, and state oversight agencies. I am once again seeking your consideration and approval of the fiscal operations policy.

Following further discussion, a motion was made by Commissioner Thomas S. Hester, Jr. seconded by Commissioner Leo Kelly, Jr., vote was ayes – six (6); noes – one (1) which was Commissioner R. Dan Brummitt that voted not to approve the policy.

Assistant County Manager's Report

GMP(Guaranteed Maximum Price) Proposal. As you may recall the County utilized a design-build delivery method for repairs of the current detention facility as well as construction of the new detention facility in order to streamline coordination, reduce risk, and provide greater

cost control. Under this method, the County works with a single design-build team responsible for both design and construction, allowing issues to be addressed efficiently and collaboratively. Following occupancy and continued evaluation of facility operations, certain repairs and corrective work have been identified as necessary to ensure the facility functions as intended and meet operational, safety, and performance standards. These items have been reviewed by staff and the design-build team and have now been bundled into a proposed Guaranteed Maximum Price (GMP).

The GMP establishes a not-to-exceed cost for the defined scope of repair work. It provides cost certainty to the County while allowing the work to move forward without delay.

Key features of the GMP include:

- A clearly defined scope of repair work based on identified deficiencies and required corrections
- A fixed maximum cost that limits the County's financial exposure
- Contractor responsibility for costs exceeding the GMP (unless scope changes are approved)
- Continued County oversight of scope, schedule, and expenditures
- Transparency in pricing, including labor, materials, contingencies, and fees

Recommendation: Approve the proposed Guaranteed Maximum Price of \$2,938,278 for repairs at the current detention facility, authorizing the County Manager to execute all necessary documents and amendments consistent with the Board's action. Funds are already budgeted so there is no need for a budget amendment.

Motion was made by Commissioner Tommy Hester, Jr. and seconded by Commissioner Charisse Fain, vote was unanimous to approve the Guaranteed Maximum Price (GMP) of \$2,938,278 for repairs at the current detention facility, authorizing the County Manager to execute all necessary documents and amendments consistent with the Board's action. Funds are already budgeted so there is no need for a budget amendment.

County Manager's Report

Smart Start Lease Extension. County Manager C. Renee Perry noted that Franklin-Granville-Vance Smart Start, Inc. is a non-profit organization that designs and provides services and programs for families and children. For FY26, the County provided a \$5,500 appropriation. Smart Start leases space from the County at 125 Charles Rollins Road and has maintained this lease for the last 18+ years until its recent expiration. They recently requested an extension of the

lease, and the proposed agreement provides a three-year term with options for two additional three-year extensions. The total square footage of the lease space is 5,600 square feet and the initial annual rent totals \$30,934 with 2% per year adjustments. Staff have provided the required 30-day notice prior to the board's consideration of the lease. Recommendation: Approve authorization of the County Manager to execute the lease agreement with Franklin-Granville-Vance Smart Start, Inc. for use of space at 125 Charles Rollins Road.

Motion was made by Commissioner Leo Kelly, Jr. and seconded by Commissioner Thomas S. Hester, Jr., vote was unanimous to approve authorization of the County Manager to execute the lease agreement with Franklin-Granville-Vance Smart Start, Inc. for use of space at 125 Charles Rollins Road.

DHSR Biannual Jail Inspection Report. County Manager C. Renee Perry noted that the State conducted its periodic jail inspection in December 2025. As you are aware, the Sheriff is responsible for overseeing the jail, although it is necessary for the commissioners to receive the jail inspection report and be aware of potential budget items. Recommendation: Act to receive this report as information.

Motion was made by Commissioner R. Dan Brummitt and seconded by Commissioner Charisse Fain; vote was unanimous to receive the DHSR Biannual Jail Inspection Report as information.

January 19, 2026, Work Session. County Manager C. Renee Perry noted that there was a staff error when creating the 2026 Board of County Commissioners' calendar. The January work session was scheduled for January 19, 2026, which is the MLK Holiday. I am requesting cancellation of that meeting and defer any work session matters to the February 16, 2026, work session. Recommendation: Cancel the January 19, 2026 work session, due to the MLK holiday and County closure.

Motion was made by Commissioner Tommy Hester, Jr. and seconded by Commissioner Leo Kelly, Jr., vote was unanimous to cancel the January 19, 2026, work session, due to the MLK holiday and County closure.

Consent Agenda

Motion was made by Commissioner Tommy Hester, Jr., seconded by Commissioner Leo Kelly, Jr., vote was unanimous, to approve the following consent agenda items as presented: Budget Amendments #24(ABC Revenue), #25(Farmers Market), and #27 (Finance Department);

November 2025 Tax Refunds and Releases, departmental monthly reports, and the minutes of the December 1, 2025 regular meeting and the December 16, 2025 special called meeting.
