

STATE OF NORTH CAROLINA

COUNTY OF VANCE

The Vance County Board of Commissioners met in regular session on Monday, March 11, 2019 at 6:00 p.m. in the Commissioners' Conference Room, Vance County Administration Building, 122 Young Street, Henderson, NC. Those Commissioners present were as follows: Chairman Archie B. Taylor, Jr., Vice-Chairman Gordon Wilder, Commissioners Dan Brummitt, Carolyn Faines, Yolanda J. Feimster, Thomas S. Hester, Jr., and Leo Kelly, Jr.

Absent: None.

Also present were County Manager Jordan McMillen, Finance Director David C. Beck, County Attorney Jonathan S. Care, and Clerk to the Board Kelly H. Grissom.

Pastor Joel Beckham, New Life Baptist Church, gave the invocation.

District Attorney Mike Waters and Sheriff Curtis Brame were first on the agenda and provided an update on law enforcement. Mr. Waters began by stating that it has been a pleasure working with Sheriff Brame since he took office, and the working relationship between all law enforcement agencies has improved tremendously. He noted that Person County was added to our district last year, and in turn, two additional District Attorney positions were added to Vance County. He stated that in 2015, homicide cases were moving very slowly through the system, and some were as old as five to six years. Today, the oldest case in the system occurred in July 2017. This is a credit to the relationship between law enforcement and the district attorney's office. He also noted that his office has added victim witness assistance which has two positions dedicated to this area. An investigator has also been added to the DA's Office.

Sheriff Curtis Brame stated that Vance County's call volume is among the highest in the state. Vance County needs much more manpower and needs to retain its current officers. He stated that Vance County has become a training agency for other departments, meaning officers are trained here and move to another agency within 18 months for a better salary. There are currently four officers per shift and it needs to be increased to six. He asked the board for its support during budget deliberations with more manpower and better salaries.

Mr. Waters noted that over the last five years the number of BLET applicants has decreased by 80% across the state, so keeping the officers we have is extremely important. Mr. Waters also informed the board that effective December 1, 2019, the juvenile age will increase from age 16 to age 18. This will increase the amount of time officers will need to be in court instead of out answering calls.

The board thanked Mr. Waters and Sheriff Brame for the update. Commissioner Dan Brummitt stated that he looks forward to supporting the Sheriff's Office during upcoming budget deliberations.

Mr. Paul McKenzie, Cooperative Extension, was next on the agenda and presented three nominees to be appointed to the Farmers Market Advisory Committee – Donald Faulkner, Vivian Paynter, and Larry Davis. He also noted that Carrie Harvey and Christeen Crudup need to be reappointed for three year terms.

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Dan Brummitt, vote unanimous, to appoint Donald Faulkner, Vivian Paynter and Larry Davis; and reappoint Carrie Harvey and Christeen Crudup to the Vance County Farmers Market Advisory Committee.

Mr. McKenzie then presented a proposed change to the current vendor guidelines. The advisory committee recommends the following revision: Add item j in section 16 ("Items approved for sale...") which will read as follows:

Food sold directly to customers from a food truck that meets all state and county guidelines. The market will allow up to one food truck each sale day. In the event that more than one food truck vendor joins the market, the market manager will develop an equitable rotation schedule/protocol.

Motion was made by Commissioner Thomas S. Hester, Jr. to approve the proposed change as presented. This motion was seconded by Commissioner Dan Brummitt and unanimously approved.

Mr. McKenzie also proposed a change to the facility use guidelines as follows:

- a. Under current guidelines, outside groups may rent the facility for up to four hours at a cost of \$200, or up to eight hours at a cost of \$400. The advisory committee recommends maintaining a \$200 minimum for four hours, and charging \$50 per hour for each additional hour (or portion thereof), up to a maximum of eight hours.
- b. Under current guidelines, the use charge for groups that are not part of Vance County government is the same regardless of the nature of the group. Offering a reduced rate to governmental organizations (e.g. City, State, Federal) will foster goodwill and provide valuable exposure, thus, the advisory committee recommends charging governmental groups that are not part of Vance County government a flat fee of \$50. Departments of Vance County government could continue to use the facility at no charge.

This matter was referred to the Properties Committee for further review.

As advertised, a public hearing was held to gain citizen input on a proposal to amend the zoning ordinance to add "Convenience Center" to the Permitted Uses Table and the definitions. Ms. Angie Blount, County Planner, stated that staff and the planning board recommend that

Convenience Center be allowed in AR, R30 and GC1 with Conditional Use Permit approvals by the Vance County Board of Adjustment, allowed by right in the LI, IM and WOZ, and prohibited in the R20, R10, RMHC, HC, EIA and OI zoning jurisdictions.

As there was no one present who wished to speak on this matter, Chairman Archie B. Taylor, Jr. declared the public hearing closed.

Motion was made by Commissioner Gordon Wilder, seconded by Commissioner Thomas S. Hester, Jr., vote unanimous, to approve the following amendment to the Vance County Zoning Ordinance:

ORDINANCE AMENDING THE VANCE COUNTY ZONING ORDINANCE TO ADD CONVENIENCE CENTER TO THE ZONING DEFINITIONS AND TO THE TABLE OF PERMITTED USES

WHEREAS, the Vance County Planning Board has reviewed the proposed amendments to the Vance County Zoning Ordinance, has determined them to be consistent with the land use plan, and has provided a recommendation for their approval.

WHEREAS, the proposed amendments provide additional protections for property owners and citizens of the county while maintaining an environment conducive to economic development; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS, that:

- A. The amendments as presented are consistent with the county land use plan by encouraging development at a rate and in a pattern which can be efficiently and effectively served by existing and planned services and facilities. Additionally the amendments accommodate and allow economic development and growth while protecting the environment, public health and general welfare.
- B. The Vance County Zoning Ordinance be amended as follows (deletions as ~~striketroughs~~, additions shown as red underlined text):

Convenience Center: A county owned, operated and maintained or privately owned, but county operated and maintained site for the collection of residential waste and recycling.

As advertised, a public hearing was held to gain citizen input on a rezoning request for a parcel located between US 1 Hwy and Edwards Road (Parcel 0456 06008). Jean Harris is the owner of the property and Jonathan Edwards is the applicant. County Planner Angie Blount stated that the request is to amend the zoning map and to rezone an 8.196 acre tract from Residential Low Density (R30) to General Commercial 1 (GC1). Ms. Blount stated that the Planning Board recommended approval of the rezoning at its February 21 meeting.

Ms. Margaret Freeburg, Mr. Michael Galantis, and Ms. Vanessa Robertson, who are Edwards Road residents, spoke in opposition of rezoning the property to general commercial and suggested that just the front portion of the property located on US 1 Hwy be rezoned and leave the portion fronting Edwards Road as is.

Mr. Jonathan Edwards stated that he has no plans to disturb the Edwards Road side of the property. He just plans to use the front right corner that fronts US 1 Hwy. After being asked by the board if he would be willing to subdivide the property and only rezone the US 1 Hwy frontage, Mr. Edwards stated that he would be willing to do this.

As there was no one else who wished to speak on this matter, Chairman Archie B. Taylor, Jr. declared the public hearing closed.

This matter was tabled until the April 1st meeting.

As advertised, a public hearing was held to gain citizen input on a rezoning request for a parcel located on Warrenton Road (Parcel 0212 03001). Vance County is the owner of the property. County Planner Angie Blount stated that the request is to amend the zoning map and to rezone a one acre tract from Residential Manufactured Home Community (RMHC) to Agricultural Residential. Ms. Blount stated that the Planning Board recommended approval of the rezoning at its February 21 meeting.

As there was no one present who wished to speak on this matter, Chairman Archie B. Taylor, Jr. declared the public hearing closed.

Motion was made by Commissioner Gordon Wilder to approve the rezoning request on the basis that the proposed AR zoning alone or combined with the possibility of a Conditional Use Permit would broaden the uses for the property and would more closely match the current uses of adjacent properties. This motion was seconded by Commissioner Thomas S. Hester, Jr. and unanimously approved.

Mr. Benny Finch, Henderson-Vance Downtown Development Commission (DDC), was next on the agenda and provided an update on activities of the DDC. Mr. Finch stated that in 2016,

the DDC began the process of becoming a North Carolina Main Street City once again. He stated that we lost our Main Street designation several years ago when we did not have a full time director of the downtown development commission. Designation of a Main Street City provides grant opportunities, design work from the state, planning, training, etc. It is hoped to have the final designation obtained by mid-2020. He also noted that a new director should be hired by July of this year.

The board discussed the fact that the former DDC director was serving on the Vance County Tourism Development Authority and noted that the position is normally held by someone affiliated with downtown. County Attorney Jonathan S. Care stated that the former DDC director also served on the Vance County Appearance Commission.

Motion was made by Commissioner Thomas S. Hester, Jr. to appoint Benny Finch to the Tourism Development Authority and the Vance County Appearance Commission to fill the position previously held by the former DDC director. This motion was seconded by Commissioner Gordon Wilder and unanimously approved.

The board thanked Mr. Finch and commended the DDC for its hard work in the downtown area.

Water District Board

Chairman Archie B. Taylor, Jr. called the Water District Board to order.

Phase 3 Construction Update. Commissioner Gordon Wilder stated that the committee (Wilder [C], Brummitt, & Taylor) met with Tim Carpenter (LKC Engineering) on Monday, February 25, 2019 to discuss the construction update of Phase 3 of the Vance County Water District. The committee was informed that the county has taken eight new signups in this area since December 2018 with a total of 86 potential customers to date. The engineer informed the committee that construction is progressing well and is on schedule with crews currently working along NC Hwy 39 South. The engineer anticipates the first change order from the contractor soon as a result of reducing the pipe and bore size along Rock Mill Road. He estimated the change order may provide a credit of approximately \$19,000 with no negative impact to cost or the timeline.

Phase 1B Engineering Services Agreement. Commissioner Wilder stated that the committee was informed that the signup campaign continues for Phase 1B with a total of eight new signups since December and an approximate total of 217 signups to date along the proposed water lines. As a result of the Water District taking on this project from Kittrell Water Association,

it is necessary for a new Engineering Services Agreement to be completed with LKC Engineering. The committee reviewed the fees associated with the engineering services which include design, permitting, bidding and award, and construction administration for Phase 1B as funded and approved by USDA – Rural Development. The total project engineering fees are \$355,000 which includes \$146,000 for basic engineering services, up to \$181,000 for project inspection, and \$28,000 in additional engineering services. These fees would be paid initially from fund balance and then reimbursed later from USDA funds once increased project funds are awarded. Staff questioned the maximum amount that would be paid out prior to proceeding with the project, if the county were to hold off on construction due to a lack of signups. The engineer responded that 70% of the \$146,000 (or \$102,200) would be paid out initially for preliminary and final design prior to moving forward with the bidding phase of the project. The committee was agreeable to the fees and recommended authorizing the manager and attorney to finalize the Engineering Services Agreement.

Motion was made by Commissioner Gordon Wilder to approve the engineering fees associated with Phase 1B and authorize the County Manager and County Attorney to finalize the Engineering Services Agreement with LKC Engineering. This motion was seconded by Commissioner Thomas S. Hester, Jr. and unanimously approved.

Phase 1B Waterline Easements. Commissioner Wilder noted that the committee was informed that three of the five required easements have been obtained for Phase 1B. The fourth easement has been agreed upon by the property owner, but not finalized with the fifth easement requiring significant legal work due to the number of heirs owning the property. The committee suggested having the engineer look for a different location for crossing the waterline from Raleigh Road to Bobbitt Road which would change the property owners for the fourth and fifth easement. The committee was agreeable to authorizing the manager to negotiate and finalize the final easements once engineering and legal work is complete on the easements.

Motion was made by Commissioner Gordon Wilder, seconded by Commissioner Leo Kelly, Jr., vote unanimous, to authorize the County Manager to negotiate and finalize waterline easements for Phase 1B.

The January 2019 operations report was presented to the board for information.

Chairman Archie B. Taylor, Jr. adjourned the Water District Board.

Committee Reports and Recommendations

Human Resources Committee - Employee Engagement Committee / Employee Morale.

Commissioner Carolyn Faines stated that the committee (Faines [C], Taylor, & Wilder) met with HR Staff on Tuesday, February 12, 2019. The committee was informed that management staff has established an employee driven Employee Engagement Team which has the purpose of generating and recommending for implementation, ideas that show appreciation and boost morale for all county employees. The team's lead and spokesperson, Frankie Nobles, reviewed their progress to date and informed the committee that the team had gathered ideas from county staff for improving morale and showing appreciation. The committee intends to review and discuss these ideas further. The committee felt the team was a great idea and could be used as "a living suggestion box" for the county.

Human Resources Committee - Salary Progression Plan. Commissioner Faines reported that staff reviewed a proposed salary progression plan for incorporation into the FY19-20 budget as previously discussed during the planning retreat. The plan is an extension of the salary study and follows recommendations from the study in order to continue moving employees along the pay scale. The plan would allow a pay increase every other year and is based on years of service and meeting performance measures. The salary adjustments would be as follows on an every other year basis:

- 2 - 7 years of service – up to a 2% increase;
- 8 years of service and greater – up to a 1.5% increase;

The plan includes phasing out the existing longevity pay system for new hires beginning July 1, 2019. The county cost for implementation in FY19-20 after reimbursements is approximately \$242,000 and staff intends to look at including this in the recommended budget. Staff informed the committee that all of the surrounding counties have variations of a salary progression plan in place. The committee was in favor of proceeding with the plan and noted that it is a fair way in which employees will know where their salary will be in future years. The committee also discussed the salary increases should be tied to performance.

Public Safety Committee - Volunteer Fire Department Contracts. The committee (Wilder [C], Brummitt, & Faines) met with staff on February 25, 2019 to review and discuss draft changes to the volunteer fire department contracts. The existing three year contracts are up for renewal by June 30th. Staff suggested language additions to the contracts specific to part-time positions as previously approved by the board and suggested adding performance measures for departments as

a result of the increase in funding given this year and added positions next year. The committee considered comments provided by the fire chiefs through the fire association and changed several sections of the draft contract during their thorough review. Staff intends to schedule a meeting with the volunteer chiefs to review the final contract draft after providing this opportunity for input from the board. As this review of the contracts was taking place, committee members suggested that the county also add part-time positions to the rescue squad from the general fund for the upcoming budget.

Commissioner Dan Brummitt noted that during the committee meeting, Commissioner Gordon Wilder stated that his motion in the February meeting to provide part-timers to volunteer stations inadvertently excluded the rescue squad. Commissioner Brummitt asked Commissioner Wilder if he would like to make a motion to include the rescue squad. Commissioner Wilder stated that he would like to wait until this is discussed during budget deliberations before making that motion.

Motion was made by Commissioner Dan Brummitt to add the part-time positions to the Vance County Rescue Squad to the General Fund in the upcoming budget. This motion was seconded by Commissioner Carolyn Faines and vote was ayes – five (5); noes – two (2), with the dissenting votes being cast by Commissioner Archie B. Taylor, Jr. and Commissioner Thomas S. Hester, Jr.

Public Safety Committee - Addressing Ordinance. Due to time constraints, the committee agreed to further review the addressing ordinance at its next meeting.

Chairman Archie B. Taylor, Jr. closed the Water District Board.

Finance Director’s Report

Surplus Property. Finance Director David C. Beck requested that the following items be declared as surplus and authorize the finance director to dispose of the items as allowed by state statute.

Description	Reason No Longer Needed	Department
2008 Chevrolet Silverado 1500	Replaced with new vehicle	Animal Services

Motion was made by Commissioner Gordon Wilder to approve the property presented as surplus and authorize the Finance Director to dispose of said property accordingly as allowed by state statute. This motion was seconded by Commissioner Thomas S. Hester, Jr. and unanimously approved.

RESOLUTION ACCEPTING BID FOR COUNTY OWNED REAL PROPERTY

WHEREAS, the Vance County Board of County Commissioners received an offer for the purchase and sale of County owned real property, which is more particularly described below:

175 Freedom Lane (Lot 37), Henderson, North Carolina 27536, Vance County Tax Department Parcel Number 0541D01033.

WHEREAS, pursuant to NCGS 160A-269, a notice was published in the *Daily Dispatch* on **February 8, 2019**, stating that said offer had been received and that any person wishing to submit an upset bid should do so within 10 days; and

REO Properties – New Offers. Attorney Care stated that two offers had been received from Kimberly Johnson for real property located at Lot 38 Freedom Lane, Henderson, NC - parcel 0541D01034; and from Milton Fuentes for real property located at Lot 6 Big Ruin Creek Lane – parcel 0404 03029. He stated that both of these offers meet the new requirements established by the board and did not go through committee. He stated that the Board needs to vote on whether or not to proceed with the sale by advertising for upset bids and recommended approval of the resolution to begin the upset bid process for the properties.

Motion was made by Commissioner Gordon Wilder to approve the following resolutions authorizing the upset bid process for real property located at Lot 38 Freedom Lane, Henderson, NC - parcel 0541D01034; and for real property located at Lot 6 Big Ruin Creek Lane – parcel 0404 03029. This motion was seconded by Commissioner Thomas S. Hester, Jr. and unanimously approved.

**RESOLUTION AUTHORIZING UPSET BID PROCESS
FOR SALE OF REAL PROPERTY
Lot 38 Freedom Lane, Henderson, NC 27537**

WHEREAS, Vance County owns certain real property with an address of **Lot 38 Freedom Lane, Henderson, North Carolina**, and more particularly described by the Vance County Tax Department as Parcel Numbers **0541D01034**; and,

WHEREAS, North Carolina General Statute §160A-269 permits the county to sell real property by upset bid, after receipt of an offer for the property; and,

WHEREAS, the County has received an offer to purchase the real property described herein above in the amount of **\$5,512.00** subject to the terms and conditions as included in the submitted offer to purchase bid, submitted by **Kimberly Johnson**; and,

WHEREAS, **Kimberly Johnson** has paid the required deposit in the amount of **\$900.00** with her initial offer.

THEREFORE, THE VANCE COUNTY BOARD OF COMMISSIONERS RESOLVES THAT:

1. The Board of County Commissioners declares the real property described above surplus and authorizes its sale through the upset bid procedure of North Carolina General Statute §160A-269.

2. A notice of the proposed sale shall be published which shall describe the property and the amount of the offer and shall require any upset offer be subject to the same terms and conditions as contained therein except for the purchase price.

3. Any person may submit an upset bid to the Clerk to the Board of County Commissioners within 10 days after the notice of sale is published. Once a qualifying higher bid has been received, that bid will become the new offer.

4. If a qualifying upset bid is received, a new notice of upset bid shall be published, and shall continue to do so until a 10-day period has passed without any qualifying upset bid having been received. At that time, the amount of the final high bid shall be reported to the Board of County Commissioners.

5. A qualifying higher bid is one that raises the existing offer by the greater of \$750 or ten percent (10%) of the first \$1,000.00 of that offer and five percent (5%) of the remainder of the offer and is subject to the same terms and conditions of the previous bid.

6. A qualifying higher bid must also be accompanied by a deposit in the amount of the greater of \$750 or five percent (5%) of the bid, which may be made by cash, cashier's check or certified funds. The County will return the deposit of any bid not accepted and will return the bid of an offer subject to upset if a qualifying higher bid is received.

7. The terms of the final sale are that the Board of County Commissioners must approve the final high offer before the sale is closed and the buyer must pay with certified funds or wire transfer the bid amount and any other amounts as required pursuant to the terms and conditions of the bid at the time of closing, which shall be no later than 30 days following the approval by this Board of the final bid. The real property is sold in its current condition, as is, and the County gives no warranty with respect to the usability of the real property or title. Title will be delivered at closing by a **Non Warranty Deed**, subject to exceptions for ad valorem taxes, assessments, zoning regulations, restrictive covenants, street easements, rights of others in possession and any other encumbrances of record. Buyer shall pay for preparation and recording of the Deed and revenue stamps.

8. The County reserves the right to withdraw the property from sale at any time before the final high bid is accepted **and the right to reject all bids at any time**.

9. If no qualifying upset bid is received, the Board of County Commissioners will accept or reject the bid submitted within 60 days after the close of the 10-day upset period.

Adopted this the 11th day of March, 2019.

County Manager's Report

Spring Litter Sweep Proclamation/County Employee Cleanup Event. County Manager Jordan McMillen stated that in the spring and fall of each year, the NC Department of Transportation (NC DOT) sponsors cleanup campaigns to beautify the roadsides of the state. This year, DOT is sponsoring their Spring Litter Sweep Campaign between April 13 - 27, 2019. Vance County encourages individuals and organizations to support this effort. On Friday, April 26, 2019 a volunteer crew of county employees from across our departments will be participating in a roadside litter pickup.

Motion was made by Commissioner Dan Brummitt, seconded by Commissioner Gordon Wilder, vote unanimous, to approve the following proclamation designating April 13 – 27, 2019, as Spring Litter Sweep in Vance County.

PROCLAMATION
by the
Vance County Board of Commissioners
in
Recognition of the 2019 Spring Litter Sweep

WHEREAS, in conjunction with the North Carolina Department of Transportation, Vance County supports and encourages participation in the Spring 2019 roadside cleanup effort to ensure clean and beautiful roads throughout the County; and

WHEREAS, the Spring 2019 Litter Sweep roadside cleanup campaign will occur April 13 - 27. The County urges all communities, civic and professional groups, businesses, churches,

schools, families, and individual citizens to participate in the cleanup effort by sponsoring and organizing roadside cleanup teams; and

WHEREAS, Adopt-A-Highway volunteers, community service workers, community leaders, civic and community organizations, businesses, churches, schools, and environmentally concerned citizens conduct local cleanups during Litter Sweep and may receive Certificates of Appreciation for participation; and

WHEREAS, the natural beauty of our State and County, in addition to a clean environment, is a source of great pride for all Vance County residents, attracting tourists and aiding in the recruiting of new industries; and

WHEREAS, the cleanup effort will increase the awareness of the need for cleaner roadsides, emphasize the importance of anti-litter campaigns, and emphasize the recycling of solid wastes such as glass, metals, and plastics; and

WHEREAS, the Litter Sweep cleanup will be a part of educating the children and citizens of the County regarding the importance of a clean environment to the quality of life in Vance County.

NOW, THEREFORE BE IT PROCLAIMED, that the Vance County Board of Commissioners does hereby recognize April 13 - 27, 2019 as “Spring Litter Sweep” in Vance County and encourages all citizens to take an active role in making the community a cleaner and more beautiful place in which to live.

THIS, the 11th day of March, 2019.

Resolution – Designation of Agent for Tropical Storm Michael Declaration. Mr. McMillen explained that Vance County was officially given a federal disaster declaration pertaining to Tropical Storm Michael on January 31, 2019. The county met the thresholds qualifying public agencies (i.e. Vance County, City of Henderson, NCDOT, Vance County schools, etc.) for public assistance allowing reimbursement for related expenses. The county did not meet the threshold for the individual assistance program that would provide funding directly to individuals and households. The board was provided information showing a designation of a primary and secondary applicant agent required by the North Carolina Division of Emergency Management. This designation will authorize Brian Short and David Beck as agents and Jordan McMillen as the certifying official to act on the county's behalf related to matters pertaining to disaster assistance for Tropical Storm Michael.

Motion was made by Commissioner Gordon Wilder to approve the resolution designating the county's agents pertaining to disaster assistance for Tropical Storm Michael. This motion was seconded by Commissioner Thomas S. Hester, Jr. and unanimously approved.

Local Records Retention Schedule. Mr. McMillen stated that the NC Department of Natural and Cultural Resources has provided an updated 2019 Local Government Agencies

General Records Retention and Disposition Schedule per state law. By approving the updated schedule the county is authorized by the state to destroy or otherwise dispose of items in accordance with the schedules without further reference to or approval from the state as per G.S. 121-5(b) and 132-3.

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Gordon Wilder, vote unanimous, to approve the March 1, 2019 general records retention and disposition schedule.

Semi-Annual Jail Inspection Report. Mr. McMillen reported that the State conducted its periodic jail inspection on January 8, 2019 and submitted its report to the county. Jail staff has completed the plan of correction which was distributed to the board for information.

Motion was made by Commissioner Carolyn Faines to receive the semi-annual jail inspection report as information. This motion was seconded by Commissioner Dan Brummitt and unanimously approved.

Planning Board Ordinance Amendment. Mr. McMillen explained that an application has been submitted from Ruxton Bobbitt to serve on the county's planning board as an alternate member. He is currently on the county's board of adjustment as an alternate member and has recognized the challenge the planning board recently had achieving a quorum. The planning board is established by Ordinance #27 and does not currently authorize alternate members. A suggested amendment was provided to the board allowing for two alternate members in similar fashion as the board of adjustments and recommends the commissioners set a public hearing at the April 1st meeting and consider amending the ordinance.

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Carolyn Faines, vote unanimous, to set a public hearing for April 1st prior to amending Ordinance #27 to allow two alternate positions on the Vance County Planning Board.

Generator at Animal Shelter. Mr. McMillen noted that, during its planning retreat, the board discussed the need for installing a generator at the animal shelter. A generator is essential to provide the necessary power, lights, heat, air conditioning, and water pressure for the animals while also assisting the shelter in its role as a secondary backup site for county data. The peak load at the shelter has been calculated and an 80 KW Generac industrial natural gas generator is necessary. Staff has received quotes from National Power (\$56,365) as well as Rick Edwards Electric (\$56,850) and recommends proceeding with the lowest responsible, responsive bidder in

National Power. Staff recommends utilizing \$30,000 from the animal shelter donation fund with the remaining to come from contingency funds.

Motion was made by Commissioner Thomas S. Hester, Jr. to approve the purchase of a generator for the animal shelter from National Power in an amount not to exceed \$56,365 with \$30,000 coming from the animal shelter donation fund and the balance from contingency funds. This motion was seconded by Commissioner Gordon Wilder and unanimously approved.
