

STATE OF NORTH CAROLINA
COUNTY OF VANCE

The Vance County Board of Commissioners met in regular session on Monday, November 4, 2019 at 6:00 p.m. in the Commissioners’ Conference Room, Vance County Administration Building, 122 Young Street, Henderson, NC. Those Commissioners present were as follows: Chairman Archie B. Taylor, Jr., Commissioners Dan Brummitt, Carolyn Faines, Yolanda J. Feimster, Thomas S. Hester, Jr., and Leo Kelly, Jr.

Absent: Commissioner Gordon Wilder.

Also present were County Manager Jordan McMillen, Finance Director Katherine Bigelow, County Attorney Jonathan S. Care, and Clerk to the Board Kelly H. Grissom.

Pastor Bobby Fletcher, First United Methodist Church, gave the invocation.

Mr. Kent Winrich with Open Broadband was first on the agenda and provided an update on the county’s broadband initiative. The main goal of the initiative is to connect unserved and underserved areas throughout the county. A pre-signup process is available to residents online through www.openbb.net. 158 residents have currently pre-signed and these sign-ups are scattered throughout the county, not in one particular area. Once the tower contract is executed, fiber optics, equipment and hardware will be ordered and installed. Wi-Fi areas will also be designated and developed. The cost for the base plan is \$39.99 per month plus an installation fee of \$99.00. The estimated time of the first customers receiving service is February or March. Commissioner Carolyn Faines asked Mr. Winrich to market this project through the schools. Mr. Winrich stated that he would do so and encouraged the board to provide him avenues to market this initiative. The board thanked Mr. Winrich for the update.

Ms. Porcha Brooks, Tax Administrator, was next on the agenda and presented untimely exemption applications as follows:

Untimely Exemption

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Carolyn Faines, vote unanimous, to approve the elderly exemptions for William L. Anstead, Jr.; David Bullock; and Wade and Jeannette Ayscue.

Motion was made by Commissioner Dan Brummitt to approve the disabled veteran exemption for Kenneth and Alfreda Evans. This motion was seconded by Commissioner Thomas S. Hester, Jr. and unanimously approved.

Motion was made by Commissioner Dan Brummitt to approve the disabled exemption for Timothy and Wendy Beckham. This motion was seconded by Commissioner Carolyn Faines and unanimously approved. Commissioner Yolanda Feimster recused herself from this matter.

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Dan Brummitt, vote unanimous, to approve the charitable education exemption for Rebuild Durham, Inc.

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Carolyn Faines, vote unanimous, to approve the religious exemption for Greater Love Ministry.

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Carolyn Faines, vote unanimous, to approve the charitable education exemption for Gang Free, Inc.

Ms. Brooks then presented the following late listing appeal. She stated that the business agrees with the findings, but is requesting the board to relieve the late listing penalty.

Late Listing Appeal

Name and Property	Penalty Appealed	Tax Administrator’s Recommendation
Excel Fitness NC XVIII LLC 967 Beckford Drive (Planet Fitness)	2019 10% - \$1,077.27	Enforce Penalty

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Dan Brummitt, vote unanimous, to waive the late listing penalty for Excel Fitness in the amount of \$1,077.27.

Water District Board

Chairman Archie B. Taylor, Jr. called the water district board to order.

Water Committee - Availability Customer Incentive Program. County Manager Jordan McMillen stated that the committee (Wilder[C], Brummitt, & Taylor) met on Monday, October 28 to review language for an incentive program for availability customers. Availability customers are individuals who initially signed up for the water system, but failed to connect within 90 days of water being available to them. The incentive program is designed to forgive up to 75% of outstanding fees for these customers in exchange for them connecting to the water system and remaining a customer in good standing. The committee was made aware there are a total of 408 availability customers with approximately 144 of those whose accounts are over 90 days past due. The incentive program would provide an avenue for increasing customers on the system while reducing the debt burden for these customers. The committee was in favor of proceeding with the program.

Commissioner Yolanda Feimster expressed her displeasure with this recommendation and felt that the incentive should be 100% of outstanding fees.

Motion was made by Commissioner Carolyn Faines to approve the revision to the water rules and regulations to begin implementation of the Availability Customer Forgiveness/Incentive Program. This motion was seconded by Commissioner Thomas S. Hester, Jr. and vote was ayes – five (5); noes – one (1), with the dissenting vote being cast by Commissioner Yolanda Feimster.

The September 2019 monthly operations report was presented to the board for information. Chairman Taylor adjourned the water district board.

Committee Reports and Recommendations

Properties Committee - Eaton Johnson Project. Commissioner Dan Brummitt reported that the committee (Brummitt[C], Taylor, & Wilder) met on Tuesday, October 22 with Oakley Collier Architects and reviewed schematic layouts as well as a budget and timeframe for renovating Eaton Johnson for use by the Department of Social Services and the Senior Center. The plan includes using approximately 40,000 square feet of the existing facility for the Department of Social Services and 20,000 square feet for the senior center. The architect's estimated project budget is \$4.2 million which was verified by a local contractor and includes \$2.8 million for construction and \$1.4 million for soft costs and contingencies. The committee was made aware that two HVAC chillers serving the facility have reached end of life and will need to

be replaced as a part of the work. The committee and architect discussed challenges with the number of required parking spaces which will add significant cost if the two wings on the front of the building are utilized in the future. The committee requested the architects to research zoning variances that can be obtained through the City of Henderson to reduce the required number of parking spaces from the 226 additional needed for DSS and the Senior Center or from the 351 needed if the wings and other buildings on the property are utilized. The timeframe for the project barring any setbacks anticipates the bidding phase in April 2020 with construction beginning in June 2020 and possible occupation of the building by March 2021. Staff is currently working to determine the term for the existing senior center lease. The committee reiterated a commitment to moving the project forward and plans to be included in additional conversations with the architect as the project moves forward.

Technology Committee - Online Vital Records Retrieval System. Commissioner Brummitt stated that the committee (Brummitt[C], Taylor & Feimster[absent]) met with the Register of Deeds (Cassandra Neal) to discuss implementation of an internet based solution that allows citizens to request and pay for vital records online (i.e. marriage licenses and birth certificates). Ms. Neal recommended utilizing Permitium which provides this service for 36 counties in North Carolina including Franklin and Granville locally. The service charges a separate processing fee of \$3.39 per transaction which requires no county cost for the service. The committee supported the concept, but questioned whether other companies provide this service and whether a Request for Proposals (RFP) process was necessary. The manager informed the committee that an RFP process was not required for this type of service, but additional research would be completed on other providers prior to the board meeting. The committee was in favor of a full board discussion once the research was completed.

Following the committee meeting, the Register of Deeds completed research through the NC Association of Register of Deeds and gathered pricing data for other providers in the state. The two leading providers (Permitium and Courthouse Computer System) provide the service for 65 counties in North Carolina. Of these leading providers, Permitium is recommended based upon its lower processing fee, user friendliness and system compatibility.

Motion was made by Commissioner Dan Brummitt to authorize the county manager to execute a contract with Permitium to implement PermitDirector as an online platform for citizens

to request, pay and receive vital records. This motion was seconded by Commissioner Thomas S. Hester, Jr. and unanimously approved.

Technology Committee - Preservation of Marriage Licenses (1895 – 1920). Commissioner Brummitt stated that the committee was made aware of the Register of Deeds’ plans to preserve existing paper marriage licenses from 1895 – 1920 as required by law. The cost of preservation totals \$20,270 and funds would be utilized from the register of deeds dedicated automation fund which is set up by state law designating 10% of profits for automation purposes. The Register of Deeds recommended moving forward with the proposal from Kofile. The committee was agreeable to the project, but questioned whether other companies provided the service or if an RFP was necessary. The committee was open to further discussion on this with the full board.

Following the committee meeting, the Register of Deeds completed additional research through the Association of Register of Deeds indicating the high specialized nature of this service. One other provider was located in Virginia, although the Register of Deeds would not proceed with this option as the records would have to physically leave the state. The Register recommends contracting with Kofile based upon their location in Greensboro, NC which would prevent the hard copy records from leaving the state.

Motion was made by Commissioner Dan Brummitt to authorize the county manager to execute a contract with Kofile for the preservation of marriage license records and approve Budget Amendment #10 utilizing up to \$20,270 in designated automation enhancement and preservation funds to complete the project.

Commissioner Yolanda Feimster stated that the county needs to strongly encourage the city to participate in this effort, but also do what needs to be done to make Wi-Fi available downtown.

Motion was made by Commissioner Dan Brummitt, seconded by Commissioner Thomas S. Hester, Jr., vote unanimous, to authorize the county manager to execute a tower agreement with Open Broadband for use of county water tanks and infrastructure subject to final attorney review.

Healthy Opportunities Pilot Grant Support. County Manager Jordan McMillen stated that Vance County is part of a regional effort with Wake, Durham, Granville, Franklin, and Warren Counties referred to as WD4C which is seeking grant funding through the state's Healthy Opportunities Pilot (HOP) program. With implementation of Medicaid Transformation in NC, a total of \$650 million in state and federal dollars are available to pilot studies in NC that focus on

reducing the costs for Medicaid eligible individuals by addressing social determinants of health. Social determinants/drivers of health include housing, food, transportation, and interpersonal violence and research indicates they determine 80% of a person's health. The WD4C group is led by Duke University and is seeking a portion of available grant funds which would flow to providers within our counties who focus in one of the four identified domain areas (housing, food, transportation, and interpersonal violence). It is anticipated the grant will be due 30 days after the grant RFP is released which will occur after the state budget is put in place. The resolution is in support of the effort and is being approved by commissioners in all of the representative counties.

Motion was made by Commissioner Carolyn Faines, seconded by Commissioner Dan Brummitt, vote unanimous, to approve the following resolution supporting actions to become a Medicaid healthy opportunities community and the development of a social determinant's of health proposal to NCDHHS:

[illegible]

RESOLUTION
by the
Vance County Board of Commissioners
*To Support the Actions to Become a Medicaid Healthy Opportunities Community and the
Development of a Social Determinant's of Health Proposal to NCDHHS*

WHEREAS, the North Carolina Department of Health and Human Services (NC DHHS) has established a vision to transform Medicaid to improve the health of North Carolinians through an innovative, whole-person centered, and well-coordinated system of care which addresses both medical and non-medical drivers of health; and

WHEREAS, while access to high quality medical care is critical, research shows that up to 80 percent of a person’s health is determined by social and environmental factors and the behaviors that emerge as a result; and

WHEREAS, non-medical drivers of health or social determinants of health, are the conditions in which people are born, grow, live, work and age that affect a wide range of health, functioning, and quality-of-life outcomes and risks; and

WHEREAS, with this in mind, as part of Medicaid Transformation, NC DHHS has designed a Healthy Opportunities Pilot program and will select geographic areas of the state to serve as pilots to test evidence-based interventions designed to reduce costs and improve health by more intensely addressing housing stability, transportation insecurity, interpersonal violence and toxic stress, and food insecurity for qualifying Medicaid beneficiaries; and

WHEREAS, The Healthy Opportunities Pilot initiative can enhance the capacity of Vance County human service organizations serving the most vulnerable populations as well as improve the infrastructure and value chain of each of the four major social determinant of health categories; and

WHEREAS, Duke University and Duke’s Medicaid Clinically Integrated Network (CIN) is leading an effort to submit a response to the Healthy Opportunities Pilot RFP on behalf of a six-county region; Wake, Durham, Franklin, Granville, Vance and Warren, collectively called WD4C; and

NOW, THEREFORE BE IT RESOLVED, that the Vance County Board of County Commissioners, does hereby support the efforts of WD4C to be awarded a Healthy Opportunities Pilot designation to be supportive of strategies that strengthen individual, family, community and provider agencies to improve health outcomes across our region.

This the 4th day of November, 2019.

EDC Office Relocation. Mr. McMillen explained that the Economic Development Commission voted during its October 16th meeting to recommend to the commissioners that the EDC office be relocated downtown within the same building and adjacent to Sadie’s Coffee Shop. The EDC is currently leasing space on Graham Avenue on a month-to-month basis in anticipation of the move downtown. The owners of the Sadie’s Coffee building are currently renovating the building, have expressed interest in leasing to the county, and anticipate the office space being available by January.

After lengthy discussion, motion was made by Commissioner Thomas S. Hester, Jr. to authorize the county manager and county attorney to develop a proposed lease agreement and negotiate the terms with the property owners for moving the EDC office downtown to the Sadie’s Coffee building. This motion was seconded by Commissioner Carolyn Faines and unanimously approved.

County Attorney’s Report

REO Property – Bid Acceptance Resolution. County Attorney Jonathan S. Care noted that during its October meeting, the board of commissioners approved the public sale process for Lot 3-A Spring Valley Road – Parcel 0201 01001. The property was advertised through the upset bid process and no upset bids were received. The board is now free to sell the property or reject the offer.

Motion was made by Commissioner Dan Brummitt, seconded by Commissioner Thomas S. Hester, Jr., vote unanimous, to approve the following resolution accepting the bid for Lot 3-A Spring Valley Road – Parcel 0201 01001:

.

**RESOLUTION ACCEPTING BID FOR
COUNTY OWNED REAL PROPERTY**

WHEREAS, the Vance County Board of County Commissioners received an offer for the purchase and sale of County owned real property, which is more particularly described below:

WHEREAS, Vance County owns certain real property with an address of **107 Briarcliff Street, Henderson, North Carolina**, and more particularly described by the Vance County Tax Department as Parcel Numbers **0214C02025**; and

WHEREAS, North Carolina General Statute §160A-269 permits the county to sell real property by upset bid, after receipt of an offer for the property; and

WHEREAS, the County has received an offer to purchase the real property described herein above in the amount of **\$3,975.00** subject to the terms and conditions as included in the submitted offer to purchase bid, submitted by *Aure Jowan Tejada*; and

WHEREAS, *Aure Jowan Tejada* has paid the required deposit in the amount of **\$750.00** with his initial offer.

THEREFORE, THE VANCE COUNTY BOARD OF COMMISSIONERS RESOLVES THAT:

1. The Board of County Commissioners declares the real property described above surplus and authorizes its sale through the upset bid procedure of North Carolina General Statute §160A-269.

2. A notice of the proposed sale shall be published which shall describe the property and the amount of the offer and shall require any upset offer be subject to the same terms and conditions as contained therein except for the purchase price.

3. Any person may submit an upset bid to the Clerk to the Board of County Commissioners within 10 days after the notice of sale is published. Once a qualifying higher bid has been received, that bid will become the new offer.

4. If a qualifying upset bid is received, a new notice of upset bid shall be published, and shall continue to do so until a 10-day period has passed without any qualifying upset bid having been received. At that time, the amount of the final high bid shall be reported to the Board of County Commissioners.

5. A qualifying higher bid is one that raises the existing offer by the greater of \$750 or ten percent (10%) of the first \$1,000.00 of that offer and five percent (5%) of the remainder of the offer and is subject to the same terms and conditions of the previous bid.

6. A qualifying higher bid must also be accompanied by a deposit in the amount of the greater of \$750 or five percent (5%) of the bid, which may be made by cash, cashier's check or certified funds. The County will return the deposit of any bid not accepted and will return the bid of an offer subject to upset if a qualifying higher bid is received.

7. The terms of the final sale are that the Board of County Commissioners must approve the final high offer before the sale is closed and the buyer must pay with certified funds or wire transfer the bid amount and any other amounts as required pursuant to the terms and conditions of the bid at the time of closing, which shall be no later than 30 days following the approval by this Board of the final bid. The real property is sold in its current condition, as is, and the County gives no warranty with respect to the usability of the real property or title. Title will be delivered at closing by **a Non Warranty Deed**, subject to exceptions for ad valorem taxes, assessments, zoning regulations, restrictive covenants, street easements, rights of others in possession and any other encumbrances of record. Buyer shall pay for preparation and recording of the Deed and revenue stamps.

8. The County reserves the right to withdraw the property from sale at any time before the final high bid is accepted **and the right to reject all bids at any time**.

9. If no qualifying upset bid is received, the Board of County Commissioners will accept or reject the bid submitted within 60 days after the close of the 10-day upset period.

Adopted this the 4th day of November, 2019.
