

STATE OF NORTH CAROLINA

COUNTY OF VANCE

The Vance County Board of Commissioners met in regular session on Monday, March 10, 2025 at 6:00 p.m. in the commissioners' conference room, Vance County Administration Building, 122 Young Street, Henderson, NC. Those commissioners present were as follows: Chair Carolyn Faines, Vice-Chair Yolanda J. Feimster, Commissioners R. Dan Brummitt, Charisse Fain, Thomas S. Hester, Jr., and Leo Kelly, Jr.

Absent: Commissioner Valencia L. Perry.

Also present were County Manager C. Renee Perry, Assistant County Manager Jeremy Jones, Finance Director Stephanie Williams, County Attorney Jonathan S. Care, and Clerk to the Board Kelly H. Grissom.

Pastor Abidan Shah, Clearview Baptist Church, gave the invocation.

At this time, Judge Adam Keith administered the oath of office for newly appointed Commissioner Charisse Fain.

Ms. Sandra Wilkerson, Chamber of Commerce, recognized the participants of Leadership-Vance 2025 who were present. The participants introduced themselves and stated their occupation and place of work. Chair Carolyn Faines thanked the group for being present at the meeting and for taking an interest in county government.

Mr. Frankie Nobles, Vance County Employee Engagement Team Chair, was next on the agenda to recognize the new employee of the month. He noted that employees are nominated by their peers, and this month's recognition goes to Carol Reavis with the Department of Social Services. Her peers noted that she is a team player, a great communicator, and is always willing to help others in any way possible. Ms. Reavis will receive a monetary gift and a designated parking space for the month. She was presented with a plaque of appreciation, and the board congratulated her on receiving this recognition.

Public comments were heard next. Mr. Bill Russell noted that he appeared before the board last year and asked the board to consider creating a law in Vance County prohibiting the discharge of a weapon within 100 yards of a dwelling, but nothing has been done. He stated that he continues to have issues with one of his neighbors shooting a semi-automatic rifle between his home and his neighbor's home. He once again requested the board to consider creating a law to prohibit weapons being discharged within 100 yards of a dwelling.

Ms. Angie Ryan stated that she would like the board to proceed with a forensic audit; she stated that when the jail is allocated funding for repairs, those repairs should be made; and she recommended that the board consider the Recovery Alive Program when deciding how to use opioid settlement funding.

Mr. John Mattocks, Vance Recovery, invited the board to visit the clinic and see what they are accomplishing. He stated that the clinic has just begun Hepatitis C testing and treatment. When it comes to using opioid settlement funding, he asked the board to engage with treatment that works.

As advertised, a public hearing was held to receive public input regarding proposed economic development incentive expenditures for the attraction of a company. EDC Director Ferdinand Rouse stated that Syntec Precision Technology Corporation chose to locate in Vance County and has committed to invest \$10,000,000 in business personal property and create 61 new full-time jobs in Vance County within five years. In support of this investment, Vance County is considering offering the following incentives: a) Vance County tax incentive grant based on taxes paid for business personal property, not to exceed \$166,390.86; b) \$200,000 Building Reuse Grant with a required \$10,000 county match; and c) \$100,000 One NC grant with a required \$33,333.33 county match. These funds will come from grants from the NC Department of Commerce and the Vance County General Fund Balance.

As there was no one present who wished to speak on this matter, Chair Carolyn Faines declared the public hearing closed.

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner R. Dan Brummitt, vote unanimous, to authorize the chair to execute the Project Pinpoint incentive agreement that includes the tax incentive grant, One NC agreement, Building Reuse agreement, legally binding commitment, and promissory note; and to commit to a \$43,333.33 appropriation and tax incentive grant of \$166,390.86 from Vance County as set forth in the agreements.

Authorizing Resolution by Governing Body of Vance County
NC Building Reuse Grant Program

WHEREAS, In June 2004, the North Carolina General Assembly passed House Bill 1352, authorizing funds to stimulate economic development and job creation in distressed areas through constructing critical water and wastewater facilities, addressing technology needs, renovating vacant buildings, and implementing research and demonstration projects, and

WHEREAS, In July 2013, the General Assembly passed Senate Bill 402 establishing the Rural Economic Development Division within the Department of Commerce to administer grants inclusive of the building reuse grant program, and

WHEREAS, Vance County is engaged in activities to assist in the productive up fit to a building through the attraction of a new metal manufacturing company, Syntec Precision Technology and Maplus Asset Management LLC, located at 145 Technology Lane, Henderson, NC that will spur economic activity and job creation through the reuse of a building on the property, and

WHEREAS, Vance County intends to request grant assistance from the Building Reuse Program;

1. That if approved for a grant Vance County will provide an economic incentive grant not to exceed 5% of the total grant amount upon the complete fulfillment of the job commitments.
2. That Vance County will provide for efficient administration, implementation and operation/maintenance of the grant project.
3. That Carolyn Faines, Chairperson of the Vance County Board of Commissioners, and successors so titled, is hereby authorized to execute and file an application on behalf of Vance County with the NC Commerce Department for a Building Reuse Grant.
4. That the County Manager and her staff are hereby authorized and directed to furnish such information as the Commerce Department may request in connection with such application or the grant project; to make the assurances as contained above; and to execute such other documents as may be required in connection with the application and grant.
5. That Vance County has substantially complied or will substantially comply with all Federal, State, and local laws, rules, regulations, and ordinances applicable to the project and to the grants pertaining thereto.

ATTEST: Kelly H. Grissom (signed)
Kelly H. Grissom, Clerk to Board

Bob Kemp, Jonathan Renn, Michael Cotter, Laura Perkinson, and Angie Ryan spoke in opposition of the rezoning and expressed their concerns with this subdivision turning into another Mettre Estate which is unkept, has residents that shoot all during the night, and has criminal and

drug activity. Mr. Deron Brodbeck, one of the developers of the project, spoke in support of the rezoning and stated that the plan is to develop restrictive covenants to keep the subdivision clean and safe.

Commissioner R. Dan Brummitt stated that this area is one of the most agricultural areas in the county. He asked the board to consider this when making its decision.

Motion was made by Commissioner Leo Kelly, Jr., seconded by Commissioner Thomas S. Hester, Jr., vote unanimous, to table this matter and referred it to the planning & environmental committee for further review.

Cooperative Extension Director Wykia Macon appeared before the board and provided the 2025 Report to the People Report which included information on programs, agriculture, farming, 4-H, etc.

She then requested approval of revisions to the farmers market vendor guidelines. She requested that the vendor application fee be reduced from \$30 to \$20 and to eliminate the \$10 daily setup fee. The hope is to increase vendor participation.

After brief discussion, motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Yolanda J. Feimster, vote unanimous, to reduce the vendor application fee from \$30 to \$20 and to eliminate the \$10 daily setup fee.

Commissioner R. Dan Brummitt noted that there will be an agricultural/tourism event this Sunday – the TD Performance Horse Rodeo. The location is 3191 Vicksboro Road beginning at 12:00 Noon.

Water District Board

Chair Carolyn Faines called the Water District Board to order.

Phase 1B Capital Project Ordinance. Special Projects Coordinator Frankie Nobles presented a capital project ordinance for Phase 1B and stated that the project is to be financed partially by a state grant administered by NCDEQ from the S.L. 2023-134 – 2023 Appropriations Act. He noted that this is similar to other project ordinances approved in previous phases.

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Leo Kelly, Jr., vote unanimous, to approve the following capital project ordinance for Phase 1B of the county water system.

• ■ • ■ • ■ • ■ • ■ • ■ • ■ • ■ • ■ • ■ • ■ • ■ •

Capital Project Ordinance

BE IT ORDAINED by the Governing Board of the County of Vance, North Carolina, that pursuant to Section 13.2 of Chapter 159 of the General Statutes of North Carolina, the following capital project ordinance is hereby adopted:

Section 1. The project authorized is the Vance County Water District, Phase 1B Project to be financed partially by a state grant administered by NCDEQ from S.L. 2023-134 – 2023 Appropriations Act.

Section 2. The officers and staff of this unit are hereby directed to proceed with the capital project within the terms of the board resolution, loan documents and the budget contained herein.

Section 3. The following amounts are appropriated for the capital project ordinance:

Expenditures	\$	3,940,000
Total		3,940,000

Section 4. The following revenues are anticipated to be available to complete this project:

State Funding (SRP-D-134-0054)	\$	3,940,000
Total		3,940,000

Section 5. The Finance Officer is hereby directed to maintain within the capital project fund sufficient, specific, detailed accounting records to satisfy the requirements of the grantor agency, the grant agreements, and federal regulations. The terms of the bond resolution also shall be met.

Section 6. Funds may be advanced from the General Fund for the purpose of making payments as due. Disbursement requests should be made to the grantor agency in an orderly and timely manner.

Section 7. The Finance Officer is directed to report, on a quarterly basis, on the financial status of each project element in Section 3 and on the total grant/loan revenues received or claimed.

Section 8. The Budget Officer is directed to include a detailed analysis of past and future costs and revenues on this capital project in every budget submission made to this board.

Section 9. Copies of this capital project ordinance shall be furnished to the Clerk to the Governing Board, and to the Budget Officer and the Finance Officer for direction in carrying out the project.

Adopted this 10th day of March, 2025.

Kelly H. Grissom (signed)

Kelly H. Grissom, Clerk to Board

[illegible]

The January 2025 monthly operations report was presented to the board for information.

Chair Carolyn Faines adjourned the Water District Board.

Finance Director’s Report

Finance Director Stephanie Williams presented the following two recommendations from the Audit Committee:

RFP Process for Annual Audit Services. The finance department will submit an RFP inviting qualified independent auditors to submit bids to perform the single audit as well as prepare the financial statements and compliance reports by November 2025 for FY 2025-26. Starting the process in November 2025 will allow sufficient time for firms to respond to the RFP, review and selection by the board, approval of contract by Local Government Commission, and allow time to be put on the audit schedule of the selected audit firm.

County Manager C. Renee Perry noted that she had spoken with Vice-Chair Yolanda J. Feimster about this matter and since the RFP process will not begin until November, she suggested that the county change the lead auditor within our current firm until a new audit firm can be selected.

Commissioner R. Dan Brummitt stated that the audit committee recommended that the RFP be solicited in time for a new firm to begin with our next audit. Ms. Perry responded that staff are stretched thin right now with other projects but will do whatever the board wishes to do. Commissioner Thomas S. Hester, Jr. stated that he will support the staff recommendation to wait until November.

Motion was made by Commissioner Thomas S. Hester, Jr. to authorize staff to solicit Requests for Proposals from CPA firms to perform the single audit as well as prepare the financial statements and compliance reports for FY 2025-26. This motion was seconded by Commissioner Leo Kelly, Jr. and vote was ayes – five (5); noes – one (1), with the dissenting vote being cast by Commissioner R. Dan Brummitt.

Forensic Audit. Ms. Williams stated that the audit committee recommended a financial forensic audit for the time period of January 2021 through December 2021 due to the embezzlement discovery last year. She presented the following information outlining the advantages and disadvantages of a financial forensic audit:

<u>Advantages</u>	<u>Disadvantages</u>
Uncover Fraud & Irregularities: Helps identify financial fraud, embezzlement, or other irregularities.	Costly Process: Forensic audits are often expensive due to the specialized nature of the investigation.
Provides Legal Evidence: Findings can be used in legal proceedings, such as court cases or disputes.	Time-Consuming: The audit process can be lengthy, especially in complex cases, requiring significant time and resources.

Improves Financial Transparency: Reveals hidden financial issues and promotes transparency in financial operations.	Requires Specialized Expertise: The process needs trained professionals, which can limit access to some organizations.
Increased Accountability: Identifies areas of weakness in controls, making organizations more accountable.	
Asset Recovery: Helps to track stolen assets, authorities may seize assets that were illegally acquired, may recover stolen assets through insurance.	
Prevents Future Fraud: Identifies weaknesses in internal controls that can be corrected to prevent future issues.	
Improves Financial Processes: Leads to better understanding and optimization of financial processes and controls.	

She stated that the Finance Department does not support the conducting of a forensic audit for the following reasons; however, it is the board’s decision whether or not to move forward with a forensic audit.

- A forensic audit will essentially do the same work that was done by retired Interim Finance Director Chuck Murray, who has over 30 plus years in county budget and finance.
- An extensive FBI investigation ensued to track down assets.
- We have already achieved the advantages of having a forensic audit completed.
- There is no additional return on the investment.
- We have received the \$1 million bond payment from the insurance company.
- The average hourly rate can range from \$300 to \$500 an hour.

County Attorney Jonathan S. Care stated that the FBI has conducted its investigation into the embezzlement, and it was very clear how the funds were taken. He stated that he does not see the need for a forensic audit for legal purposes. He stated that if the board’s concern is to find existing weaknesses, he recommended hiring an advisor on financial protocols and processes to test the county’s system instead of a forensic audit.

Commissioner R. Dan Brummitt stated that the audit committee recommended this audit, and he feels that a keystroke audit is needed to see exactly what was done. He specifically questioned how funding from the water fund to the general fund was conducted. A forensic audit could prevent this type of action from happening again. He also noted that the FBI did not perform any type of forensic audit.

Following brief discussion, motion was made by Commissioner Leo Kelly, Jr. to authorize staff to research financial advisors to test the county’s financial system. This motion was seconded by Commissioner Thomas S. Hester, Jr. and vote was ayes – five (5); noes – one (1), with the dissenting vote being cast by Commissioner R. Dan Brummitt.

County Manager's Report

EMS Substation. At the annual planning retreat held on January 31st, the board discussed the two potential sites for the Northern EMS substation. Several commissioners expressed a desire to see the new proposed property before closing on the property that the county is currently pursuing. The contract was signed September 30, 2024, and the county has 180 days for the due diligence period, plus another 30 days if needed. The 180 days expires at the end of March. This matter will be discussed in closed session.

Board Goals for FY 2025-26. Ms. Perry noted that the following goals were prioritized during the retreat for FY 2025-26.

- Purchase land sites for EMS station and new EMS substation in the northern part of county.
- Begin the process to construct a new jail and repair the current facility. Research other funding sources to assist in the cost of the construction of a new facility.
- Determine the next steps for the fire study as recommended by the board of commissioners.
- Continue construction of Phase 1B of the county water system and offer public information/signup meetings with a goal of increasing signups 20% above the current level.
- Work with the City of Henderson to build a better relationship for services offered.
- Begin planning and identifying opportunities for distributing and utilizing opioid settlement funds and support educational programs that seek to reduce drug dependency and address mental health issues.
- Retain or assist in the creation of 150 new jobs and \$10 million in new investment.

Recommendation: Approve goals as stated above for FY 2025-26.

Motion was made by Commissioner Leo Kelly, Jr., seconded by Commissioner Thomas S. Hester, Jr., vote unanimous, to approve the goals for FY 2025-26 as presented.

Head Start Facility. County Manager C. Renee Perry noted that during the renovation of the Head Start facility at the Eaton Johnson Complex in 2022, Head Start informed the architect that outside doors were no longer required in all of the classrooms which allowed for a reduction in project scope and cost totaling \$50,285.

Chief Code Enforcement Officer Bob Rosch appeared before the board and stated that during a recent inspection, it was determined that outside doors are, in fact, needed in seven classrooms.

Following discussion, motion was made by Commissioner Leo Kelly, Jr., seconded by Commissioner Thomas S. Hester, Jr., vote unanimous, that the county fund 100% of the cost to install the outside doors in seven classrooms at the Head Start facility.

Commissioner R. Dan Brummitt noted that a recent inspection of the cafeteria at the Senior Center indicated that a sprinkler system should be installed, or modifications should be made to the room to reduce the occupancy capacity. Mr. Rosch stated that he is looking into this matter.

Consent Agenda

Motion was made by Commissioner R. Dan Brummitt, seconded by Commissioner Thomas S. Hester, Jr., vote unanimous, to approve the following consent agenda items as presented: Revised Budget Amendment #17, Budget Amendments #30 - #33, January 2025 Tax Refunds and Releases, departmental monthly reports, and the minutes of the February 3, 2025 regular meeting, and the February 10, 17, and 24, 2025 special meetings.

.

Budget Amendment #17 **REVISED**

Miscellaneous

- Appointments.* The following appointments were presented to the board for consideration:
- Tax Administrator – two-year term
Appoint Jennifer Williams to fill position formerly held by Porcha Brooks.
- Farmers Market Advisory Committee
Appoint William Graves III to fill a vacant position.
- KARTS Board
Appoint DSS Director Sandy Weaver to fill position formerly held by Senior Center Manager Tydelia Hunt.
- 911 Advisory Board
Appoint commissioner to fill position formerly held by Sean Alston
- Economic Development Commission
Appoint commissioner to fill position formerly held by Sean Alston
- Henderson-Vance Industrial Park Board
Appoint commissioner to fill position formerly held by Sean Alston
- FVW Opportunity Board of Directors
Appoint commissioner to fill position formerly held by Sean Alston
- Farmers Market Advisory Committee
Appoint commissioner to fill position formerly held by Sean Alston

Motion was made by Commissioner R. Dan Brummitt to appoint Jennifer Williams as Tax Administrator for a two-year term, appoint William Graves III to the Farmers Market Advisory Committee, and appoint Sandy Weaver to the KARTS Board. This motion was seconded by Commissioner Leo Kelly, Jr. and unanimously approved.

Motion was made by Commissioner Thomas S. Hester, Jr. to appoint Leo Kelly, Jr. to the Henderson-Vance Industrial Park Board. This motion was seconded by Commissioner Yolanda J. Feimster and unanimously approved.

Motion was made by Commissioner Yolanda J. Feimster, seconded by Commissioner Leo Kelly, Jr., vote unanimous, to appoint Charisse Fain to the 911 Advisory Board.

Motion was made by Commissioner Yolanda J. Feimster, seconded by Commissioner Leo Kelly, Jr., vote unanimous, to appoint Dan Brummitt to the Henderson-Vance Economic Development Commission.

Motion was made by Commissioner Leo Kelly, Jr. to appoint Carolyn Faines to the FVW Opportunity Board of Directors. This motion was seconded by Commissioner Yolanda J. Feimster and unanimously approved.

Motion was made by Commissioner Yolanda J. Feimster, seconded by Commissioner R. Dan Brummitt, vote unanimous, to appoint Charisse Fain to the Farmers Market Advisory Committee.

At this time, motion was made by Commissioner R. Dan Brummitt, seconded by Commissioner Thomas S. Hester, Jr., vote unanimous, to enter into closed session to discuss a property matter.

Upon return to open session, motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner R. Dan Brummitt, vote unanimous, to terminate the contract for the 1.92 acre parcel on Hwy 39 North for the purpose of constructing an EMS substation.

Motion was made by Commissioner Thomas S. Hester, Jr. to authorize staff to enter into a contract for \$50,000 for the purchase of three contiguous tracts of land on Hwy 39 North (six acres) for the purpose of constructing an EMS substation. This motion was seconded by Commissioner Yolanda J. Feimster and unanimously approved.

Motion was made by Commissioner R. Dan Brummitt, seconded by Commissioner Leo Kelly, Jr., vote unanimous, to approve the minutes of the December 2, 2024, January 6, 2025, and February 3, 2025 closed sessions.

As there was no further business, at 8:25 p.m., motion was made by Commissioner R. Dan Brummitt, seconded by Commissioner Leo Kelly, Jr., vote unanimous, that the meeting be adjourned.

Approved and signed April 7, 2025.
